Personal, Social and Emotional Development

I think we should continue this half term with our secret missions because I have LOVED seeing your amazing missions and how much you have all worked together.

This weeks secret mission is to make someone feel loved and to make them smile. Could you bake someone a biscuit? Could you give them a flower from your garden? (ask grownups first before picking them 😊). Could you send them a picture? 😊

Well Being

Relax with some snacks and watch a DVD 😊

PLAY – Lots and lots of play!

Watch some of Miss Redhead's story video's posted on Dojo snuggled up on the sofa, or before bed.

ALSO- <https://www.youtube.com/watch?v=AECtOfpbgVs> Maddie makes some lovely videos all about bees.

Learning projects throughout the week

Fact Finding – Exploring the world

This week I wonder if you can take part in a little Science experiment.

I have found some lovely ice/ water activities this week.

Simply fill a balloon or tubs with your child's favourite toy and add water and then pop in the freezer (food colouring also makes these extra special)
 Then see if your child can get to their toys, how can they make it melt? What do they need to do? How come it changes from ice to water? And playing with these will also help keep them cool in the sunshine ☺
 I often use different shaped pots at work and we look at shapes such as circles, squares etc . Colour recognition could be used to identify the hidden toys.

Creative fun

Are you growing anything at home? Could you add a castle top and clouds to your seed pots to make Jacks Beanstalk and castle?

Phonics activities

Song for the week –
 5 current buns
 5 little speckled frogs

What can you hear?
 Listening Game.

I hope you have had a wonderful week in the sunshine making memories 😊

Thank goodness for the glorious weather!

Just to update you, that I am in school now on Mondays and Tuesdays so if I am a little slower replying to Dojo messages, I apologise but I will get back to you as soon as I can.

I will be sharing a few stories for you this week and I hope the little activity packs have kept your little ones busy

Seeing you all when you collected them was wonderful and seeing those beautiful Busy Bee faces has made me smile ever since

I hope you are all ok, only a message away if I can help with anything.

Take lots of care,

Miss Redhead xxxxxxx
