## Learning projects to be done throughout the week

Our topic this term is Muck, Mess and Mixtures! Have a go at some of these activities:

- Mixing experiment. Find out what happens when you mix oil and water - <https://www.sciencekids.co.nz/experiments/oilandwater.html>
- Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching – make your own playdough <https://www.bbcgoodfood.com/howto/guide/playdough-recipe>
- Work out the quickest way to melt an ice cube – use the sheet provided.
- Melt chocolate and other available foods. What happens when it cools? Does it change shape / texture?
- Purple Mash – 2do's will be set each week
